AMH GOVERNMENT SERVICES

AMH Government Services is a sister company of Fountain Powerboats, Donzi Marine and Pro-Line Boats. The AMH Government Services group is responsible for the engineering, production, sales and support of Donzi, Pro-Line and Fountain craft customized for government and commercial applications. These commercially available off-the-shelf craft are offered directly to government and commercial customers.

AMH Government Services is an equal opportunity employer with a diverse staff capable of producing more than 2,500 boats per year for both the recreational and government markets. From backwaters, to ports, offshore and on the high-seas, AMH Government Services has a wide range of Workboat, Law Enforcement, Dive/Rescue, Military & Special Operations craft to meet the demanding needs of government and commercial professionals.

All weights, fuel capacities and other specifications are approximate and may vary. Specifications are for base boat configurations and do not include optional equipment. Specifications are subject to change without notice. AMH reserves the right to modify or discontinue models, equipment or prices at any time without incurring obligation.
